Showcase Your Products and Services to Leading Indian Utility and Smart City Buyers and Decision Makers at ISGW 2017

India Smart Grid Week (ISGW) is the largest annual conference and exhibition for the smart grid and utility sector in India. It offers a unique opportunity for U.S. technology providers to engage with Indian buyers.

Key Areas of Focus at ISGW 2017 include: Smart grid and utility solutions, microgrids, energy storage systems, electric vehicles, smart meters, and emerging smart city opportunities.

Organized by the **India Smart Grid Forum (ISGF)** and **Tata Power-DDL**, ISGW 2017 will bring together India's leading electric utilities, policy makers, regulators, investors with smart grid and smart city experts and researchers to discuss trends, share best practices and showcase next generation technologies and products. In its third year, ISGW 2017 is expecting more than 2,000 attendees and decision makers and 100 exhibitors. This year Tuatara Group is working with ISGF and the U.S. Commercial Service to highlight U.S. smart grid and city technologies at ISGW 2017.

Join the U.S. Delegation at India Smart Grid Week March 7-10, 2017

**Benefit from U.S. Commercial Service

India's Escalating Smart Infrastructure Market Offers Major Opportunities for U.S. Companies

India is presently spearheading some of the largest transformation projects with technology interventions for building smart cities, renewable energy and power grid modernization.

The Honorable Prime Minister Shri Narendra Modi has committed to provide 24x7 reliable supply of electricity to all the citizens in the next 5 years. This initiative and its required investment provide unprecedented opportunities for U.S. companies offering products, services and technologies to enable grid modernization, renewable energy and smart city projects.

Let us help you sell in this growing market.

Don't Miss the Opportunity to be Part of the U.S. Delegation at ISGW 2017

Confirm your participation by contacting:

Pamela Peseux or Jasmin Navarro at email: ISGW2017@tuataragroup.com or +1.301.776.6509 / +1.202.503.4556
